

DIFFERENT WORKS

An employee was cleaning a doctor's office when he found two envelopes in the receptionist's desk. Inside the envelopes were \$100 and \$50 bills. The janitor stole the money. Then he fled the state. Fortunately, his employer was covered by \$5,000 Janitorial Service Bond.

YOUR BUSINESS NEEDS PROTECTION.

BUSINESS SERVICES/JANITORIAL BOND

Something is missing:

Who's the first to get blamed?

As the owner of a cleaning service you've come to expect it. When one of your clients discovers something's missing, the immediate suspects are your employees. Fair or not.

The fact is, cleaning and other service businesses are highly vulnerable to employee dishonesty losses. Your employees work independently and they have access to your clients' assets, equipment and supplies. Money or property left lying around can be very tempting. Sometimes too tempting.

There's not much you can do about human nature. But **YOU CAN PROTECT YOURSELF** from its consequences. RLI Business Services/Janitorial Bonds help assure that if your employees are convicted of stealing, it doesn't become a costly problem for you.

Check into our services today. Because chances are, sooner or later, you're going to get blamed. Fair or not.
